Blowin' in the wind

How many roads must a man walk down
Before you call him a man?
How many seas must a white dove sail
Before she sleeps in the sand?
Yes, 'n' how many times must the cannon balls fly
Before they're forever banned?
The answer, my friend, is blowin' in the wind,
The answer is blowin' in the wind.

Yes, 'n' how many years can a mountain exist
Before it's washed to the sea?
Yes, 'n' how many years can some people exist
Before they're allowed to be free?
Yes, 'n' how many times can a man turn his head
And pretend that he just doesn't see?
The answer, my friend, is blowin' in the wind,
The answer is blowin' in the wind.

Yes, 'n' how many times must a man look up
Before he can see the sky?
Yes, 'n' how many ears must one man have
Before he can hear people cry?
Yes, 'n' how many deaths will it take till he knows
That too many people have died?
The answer, my friend, is blowin' in the wind,
The answer is blowin' in the wind.

Die Antwort weiß ganz allein der Wind

Wie viele Wege muss ein Mann beschreiten,
Bevor du einen Mann ihn nennst?
Und über wie viele Meere muss eine weiße Taube segeln,
Bevor sie im Sande schläft?
Ja, und wie viele Male müssen Kanonenkugeln fliegen,
Bevor man für immer sie stoppt?
Die Antwort, mein Freund, verweht im Wind,
Die Antwort verweht im Wind.

Wieviele Jahre kann ein Berg überdauern,
Bevor das Wasser ihn mitnimmt ins Meer?
Ja, und wie viele Jahre können Menschen leben,
Bevor man ihnen die Freiheit schenkt?
Ja, und wie viele Male kann ein Mann sich abwenden
Und behaupten, er sähe einfach nichts?
Die Antwort, mein Freund, verweht im Wind,
Die Antwort verweht im Wind.

Wie viele Male muss ein Mann aufschauen,
Bevor er den Himmel sehen kann?
Ja, und wie viele Ohren muss ein Mann haben,
Bevor er hören kann, dass Menschen weinen?
Ja, und wie viele Tote sind nötig, bis er merkt,
Dass zu viele Menschen gestorben sind?
Die Antwort, mein Freund, verweht im Wind,
Die Antwort verweht im Wind.
